2008 – 2009

PALS encourages spiritual growth through a balance of prayer, life sharing, selected reading materials and the friendship of many different women.

Women of all ages from the Christian community are welcomed into PALS to grow in their relationship with God and with each other.

Since God speaks to us through the ongoing stories of people's lives. PALS gather in small sharing groups to reflect and personalize our interpretation of each week's reading material or guest speaker's message and insights.

Strong bonds of friendship are formed as Christian women discuss their lives and support each other.

Prayer lives are enhanced as a deeper relationship with God develops.
